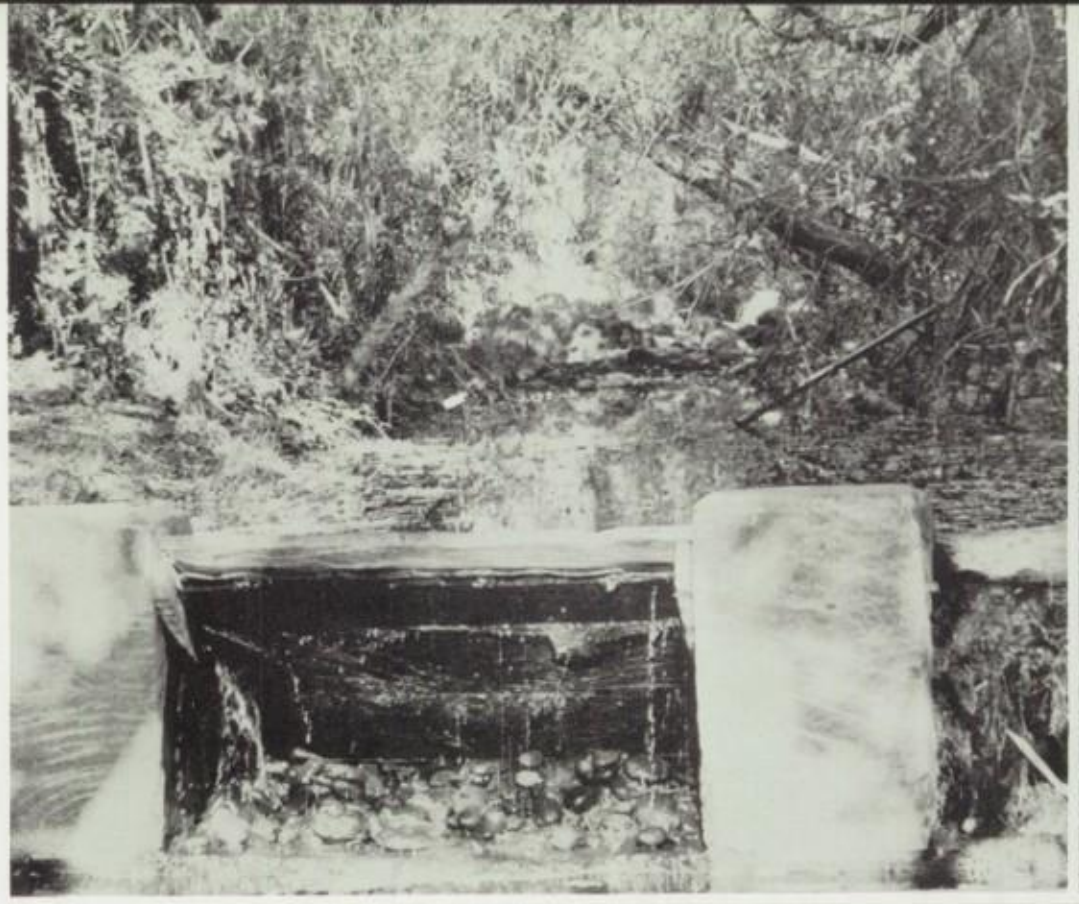
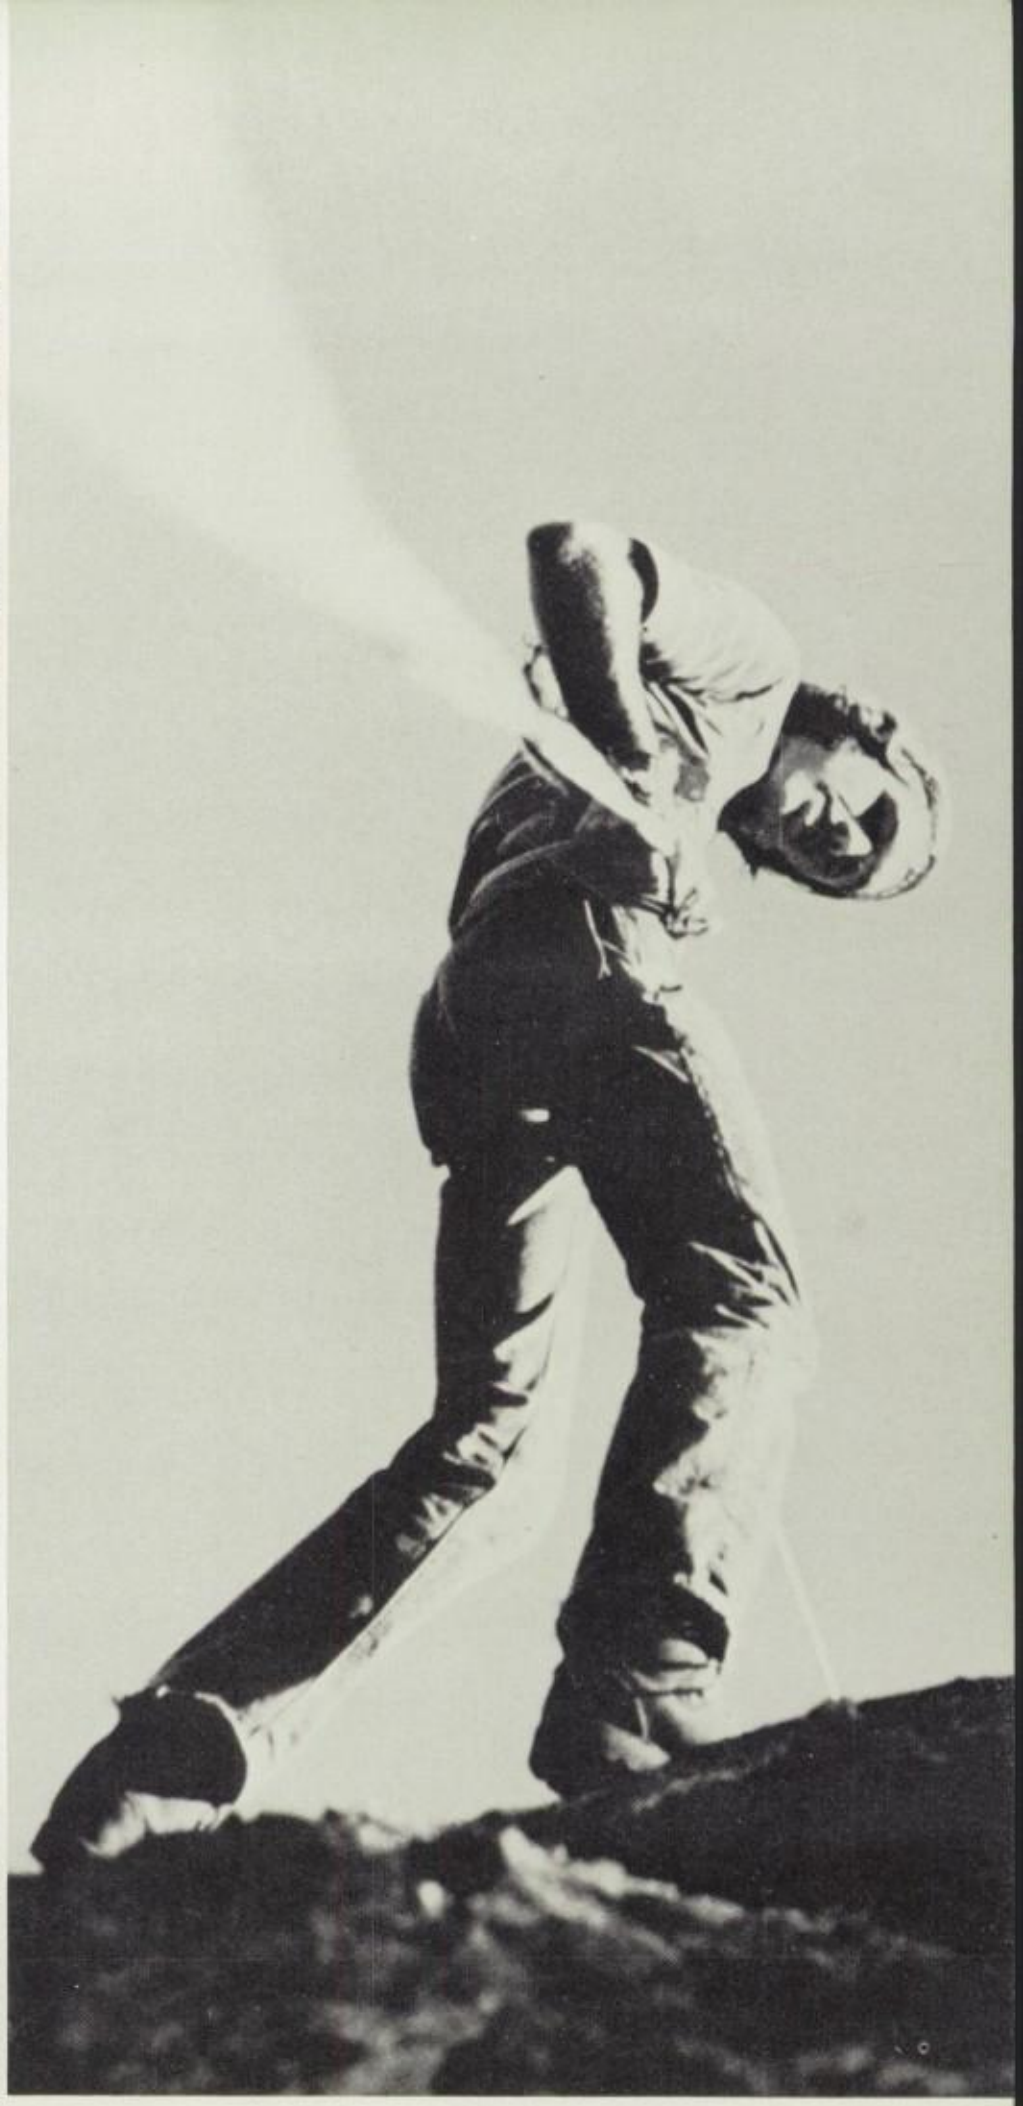
We have all heard of the mountain climber's paradise, Pinnacles National Monument, historic Mission San Juan Bautista, the picturesque, little Tres Pinos church,





the panoramic view from on top of Fremont's Peak State Park and none can forget that refreshing plunge into the Bolado Park Pool.

FRESHMEN OF '75

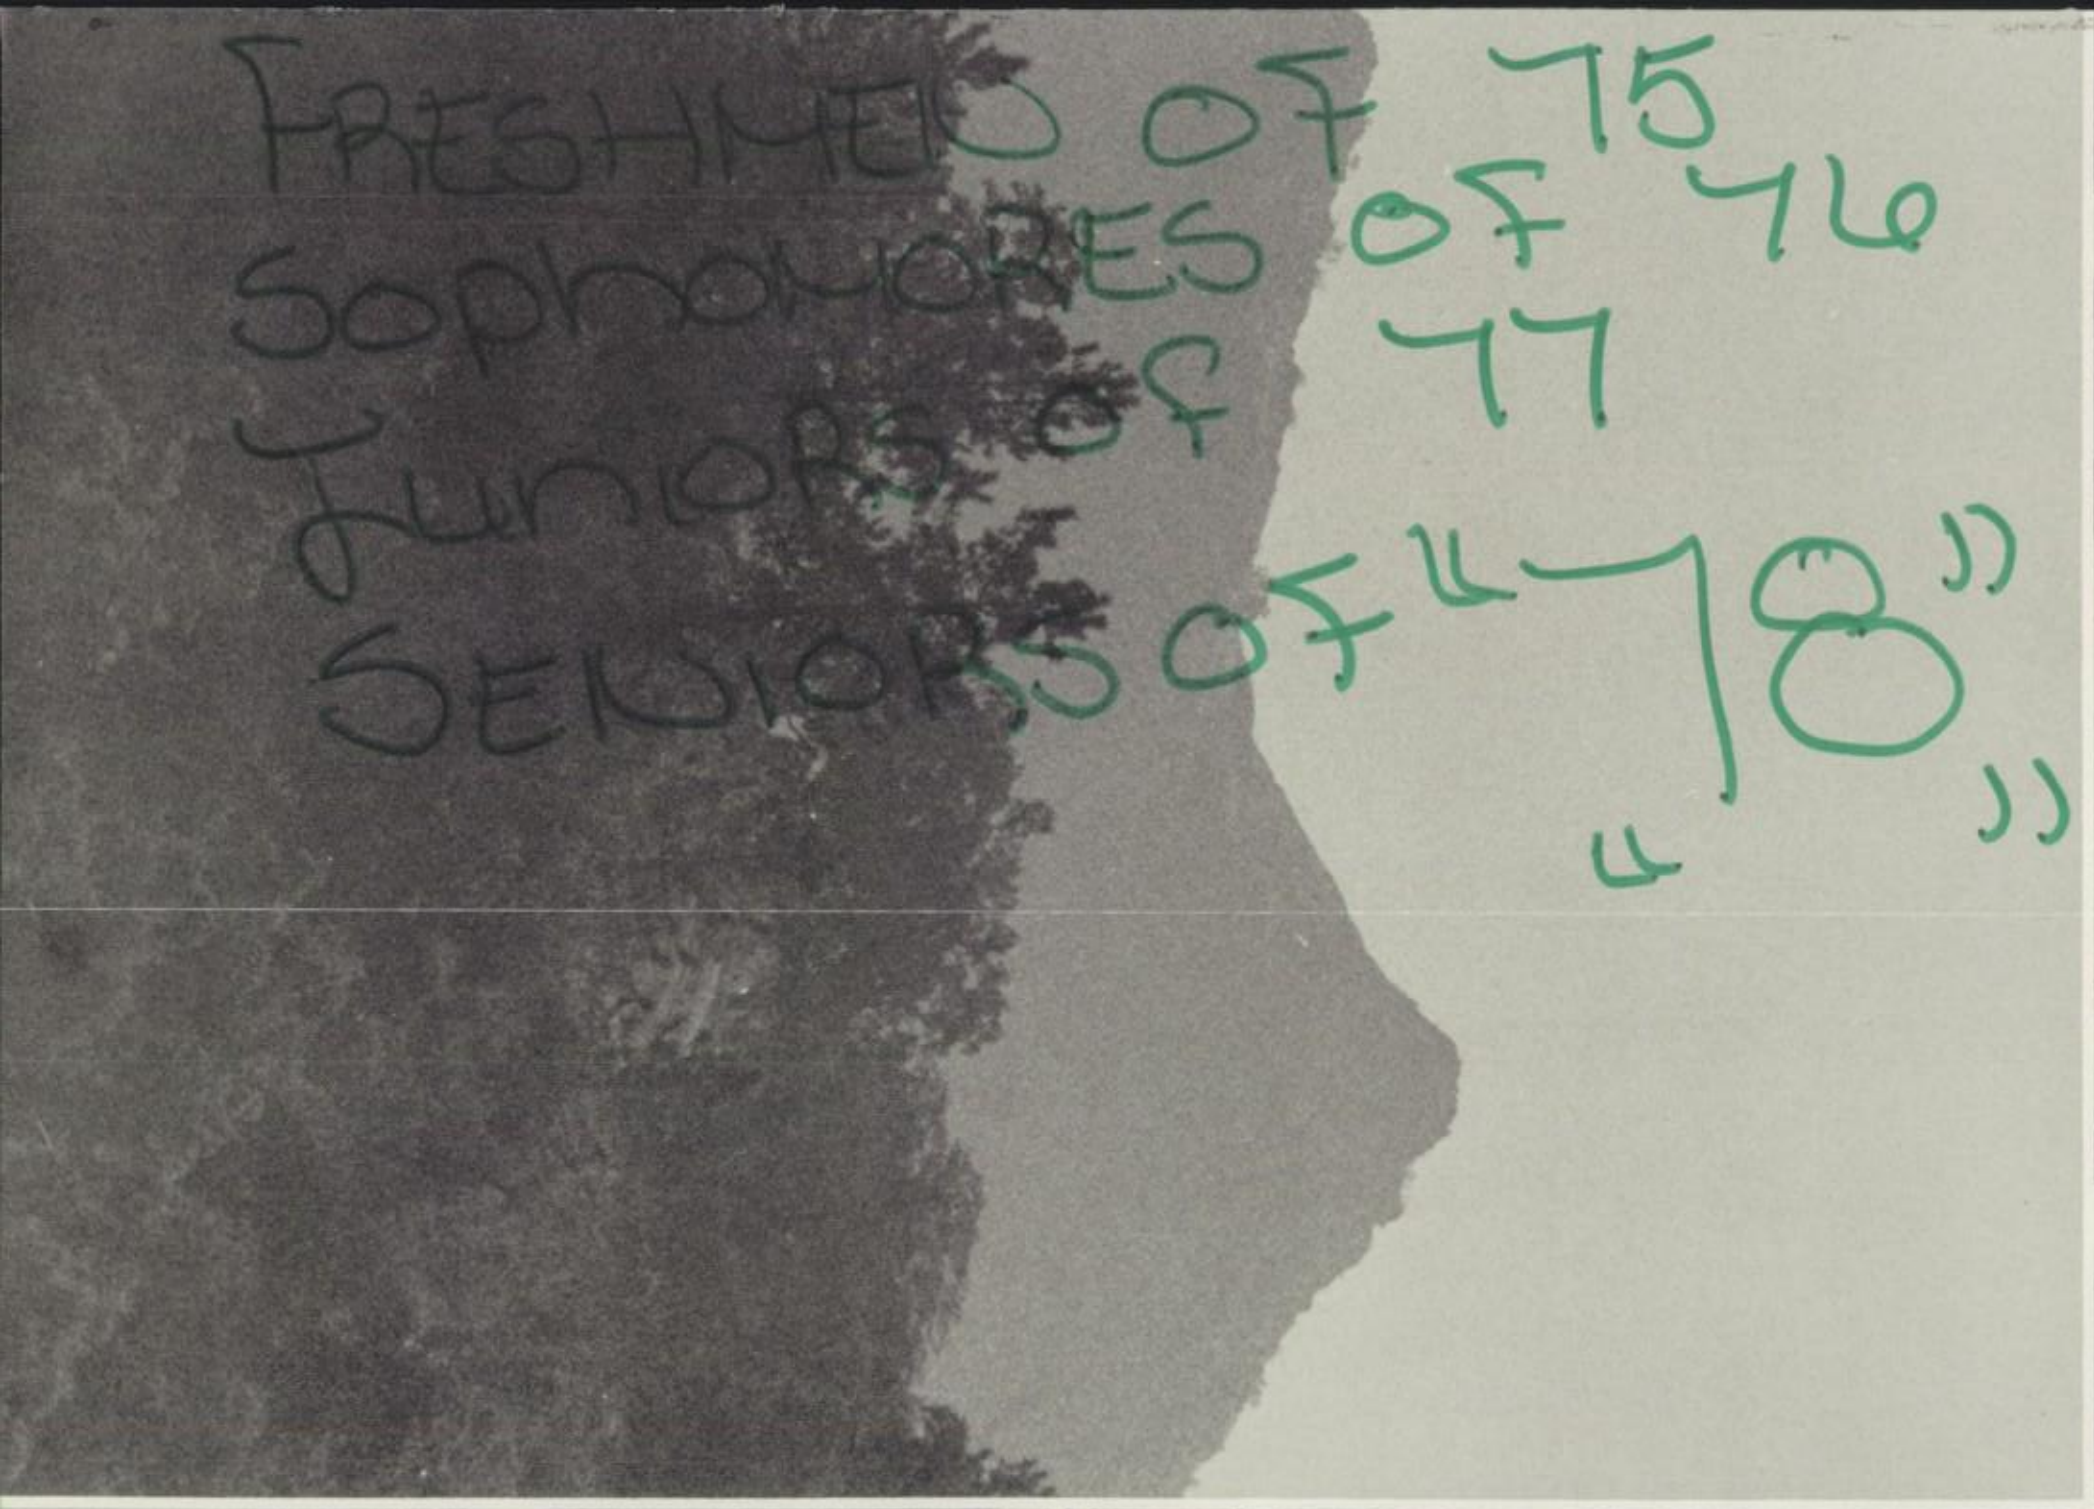
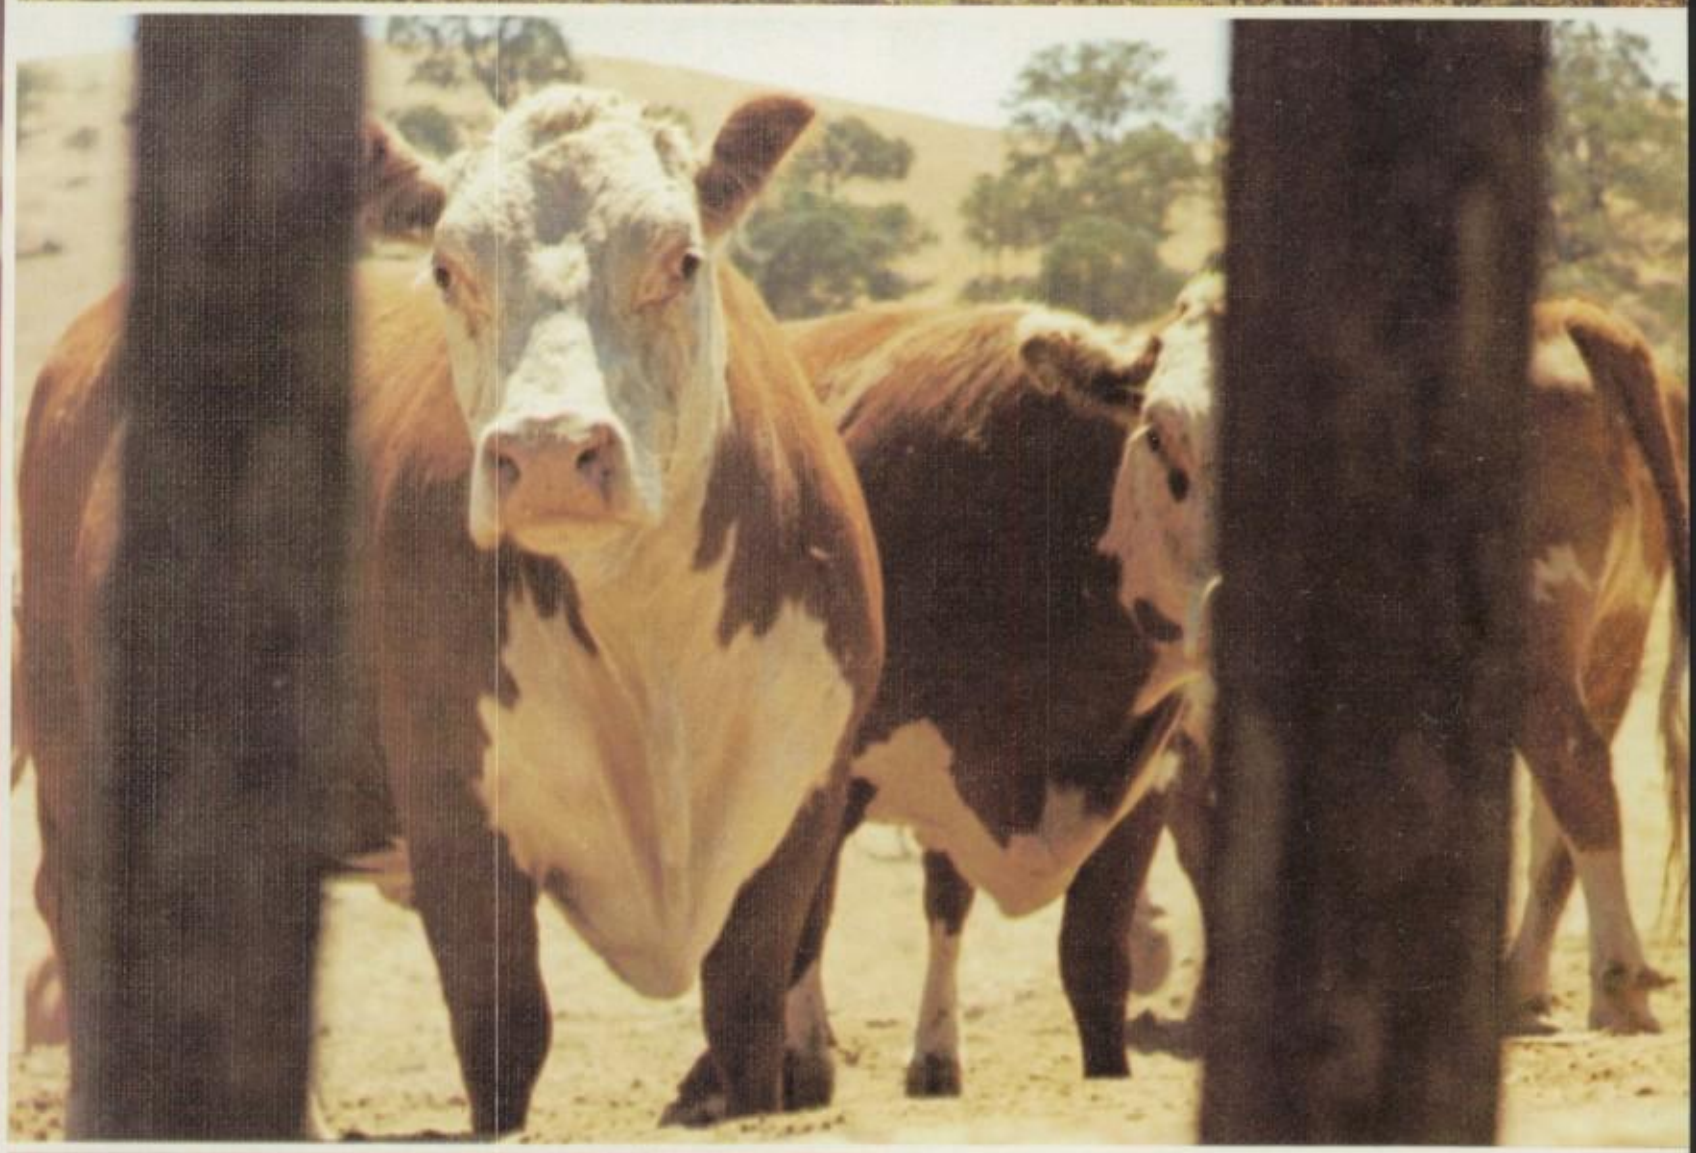
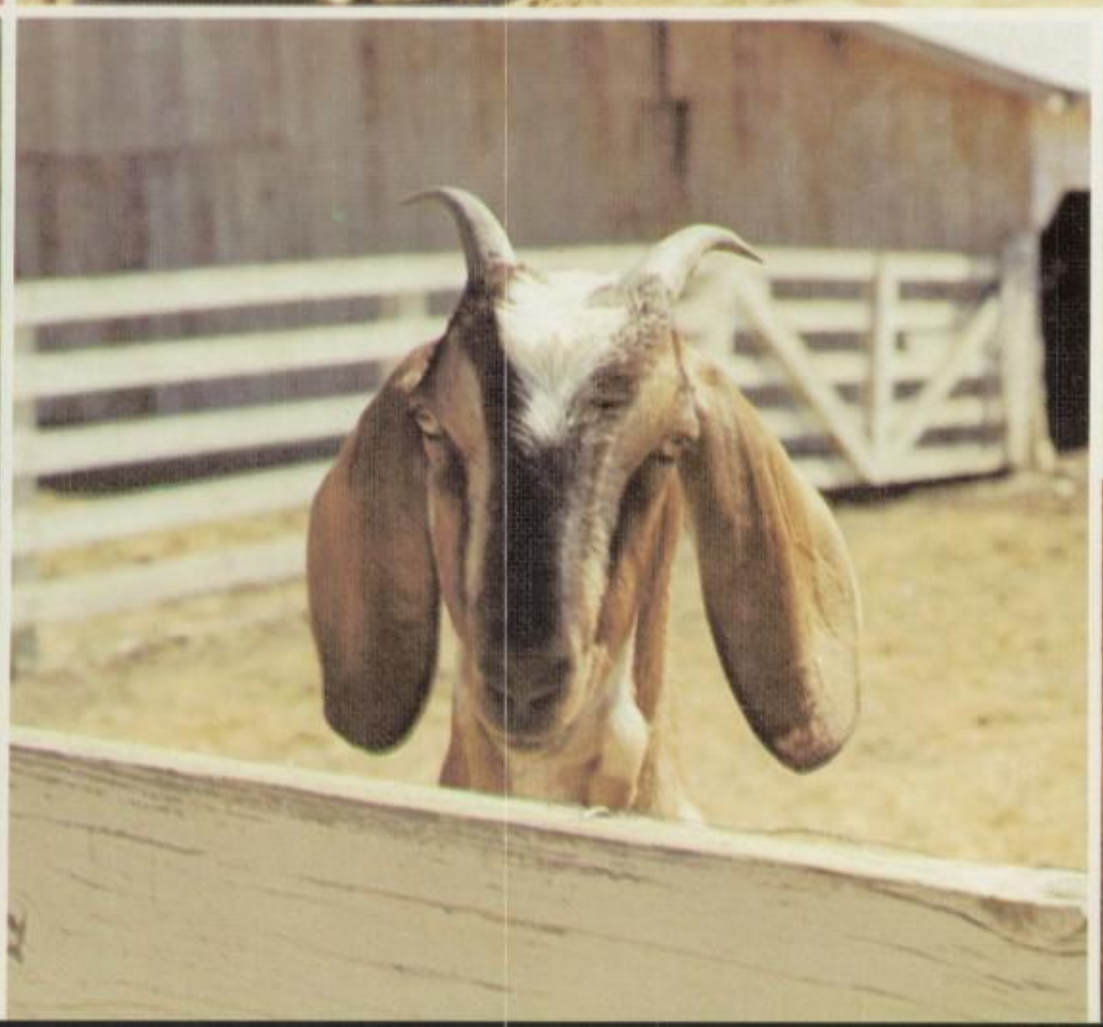
JUNIORS OF '77

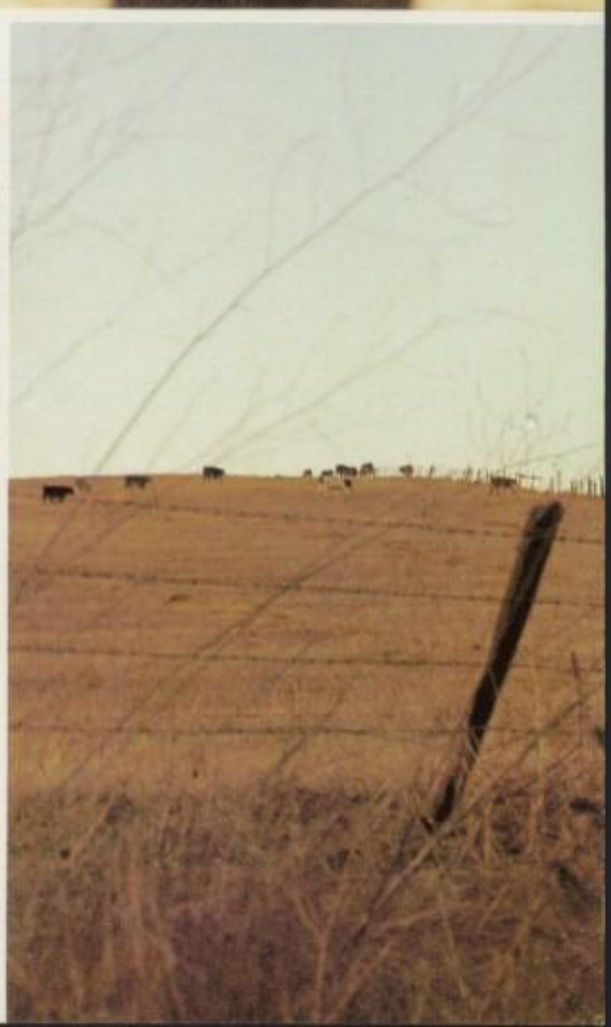
SENIORS OF "78"



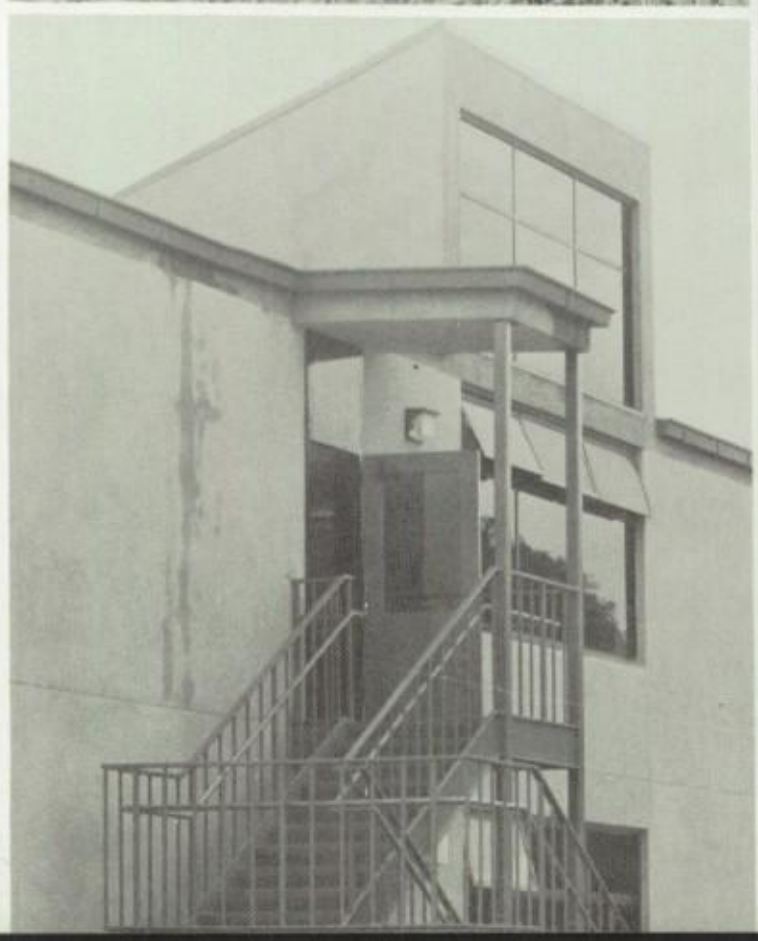
Or how about those quiet moon-lit nights, cattle dotted hillsides, Shady walnut orchards, humming harvesters,

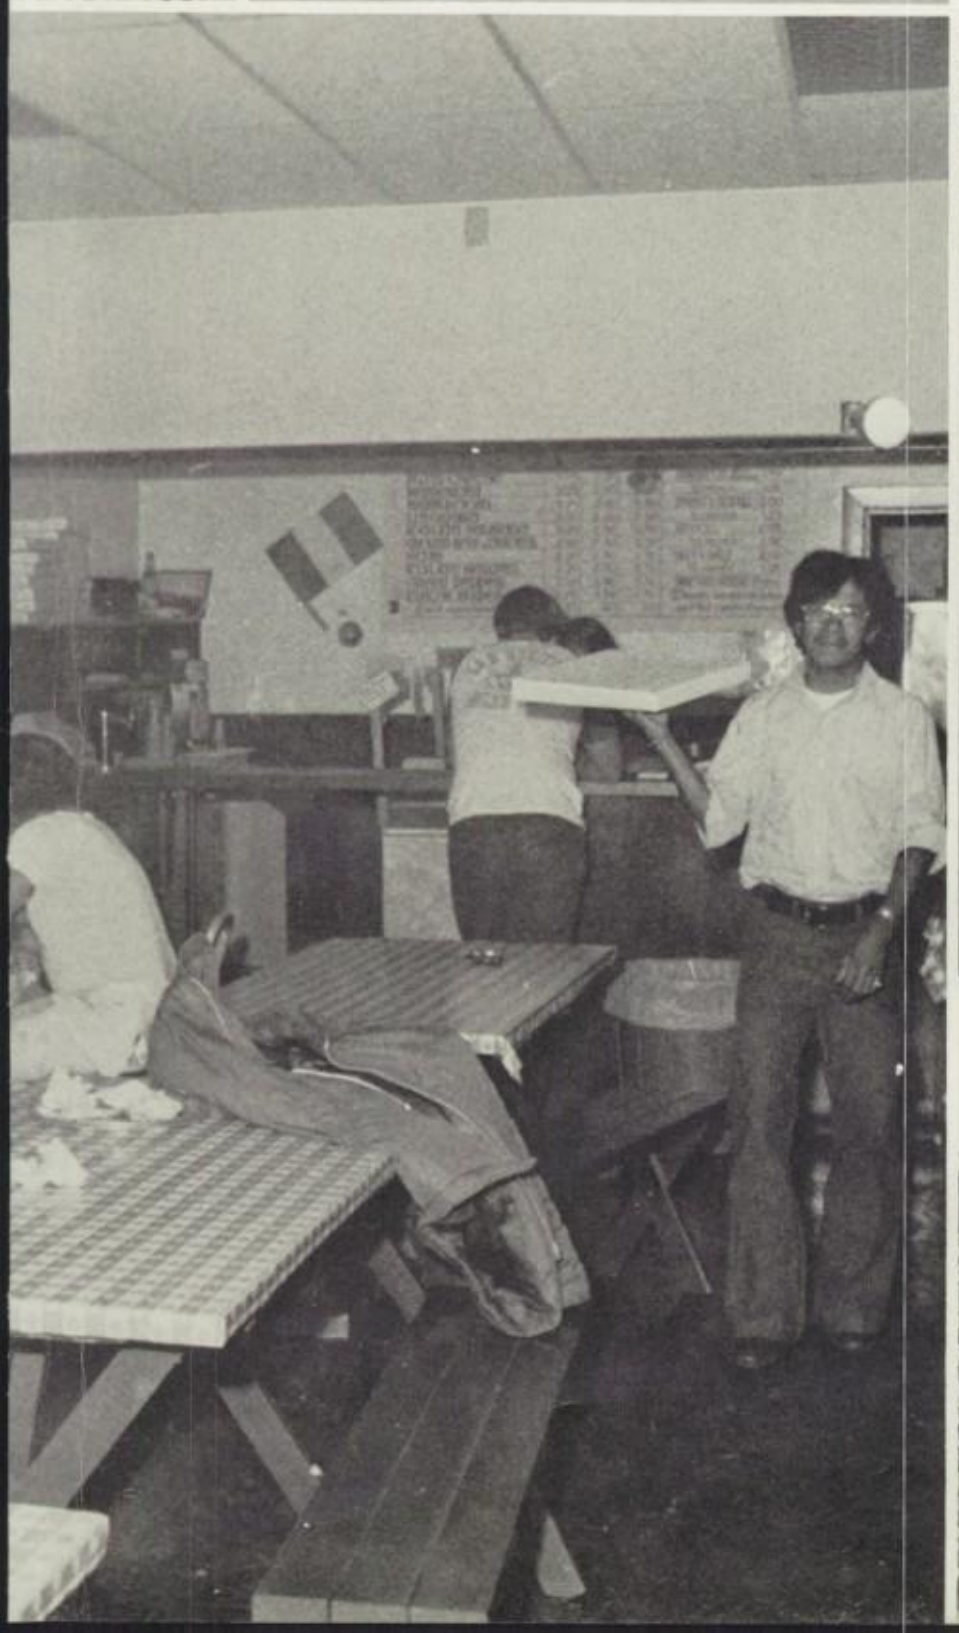






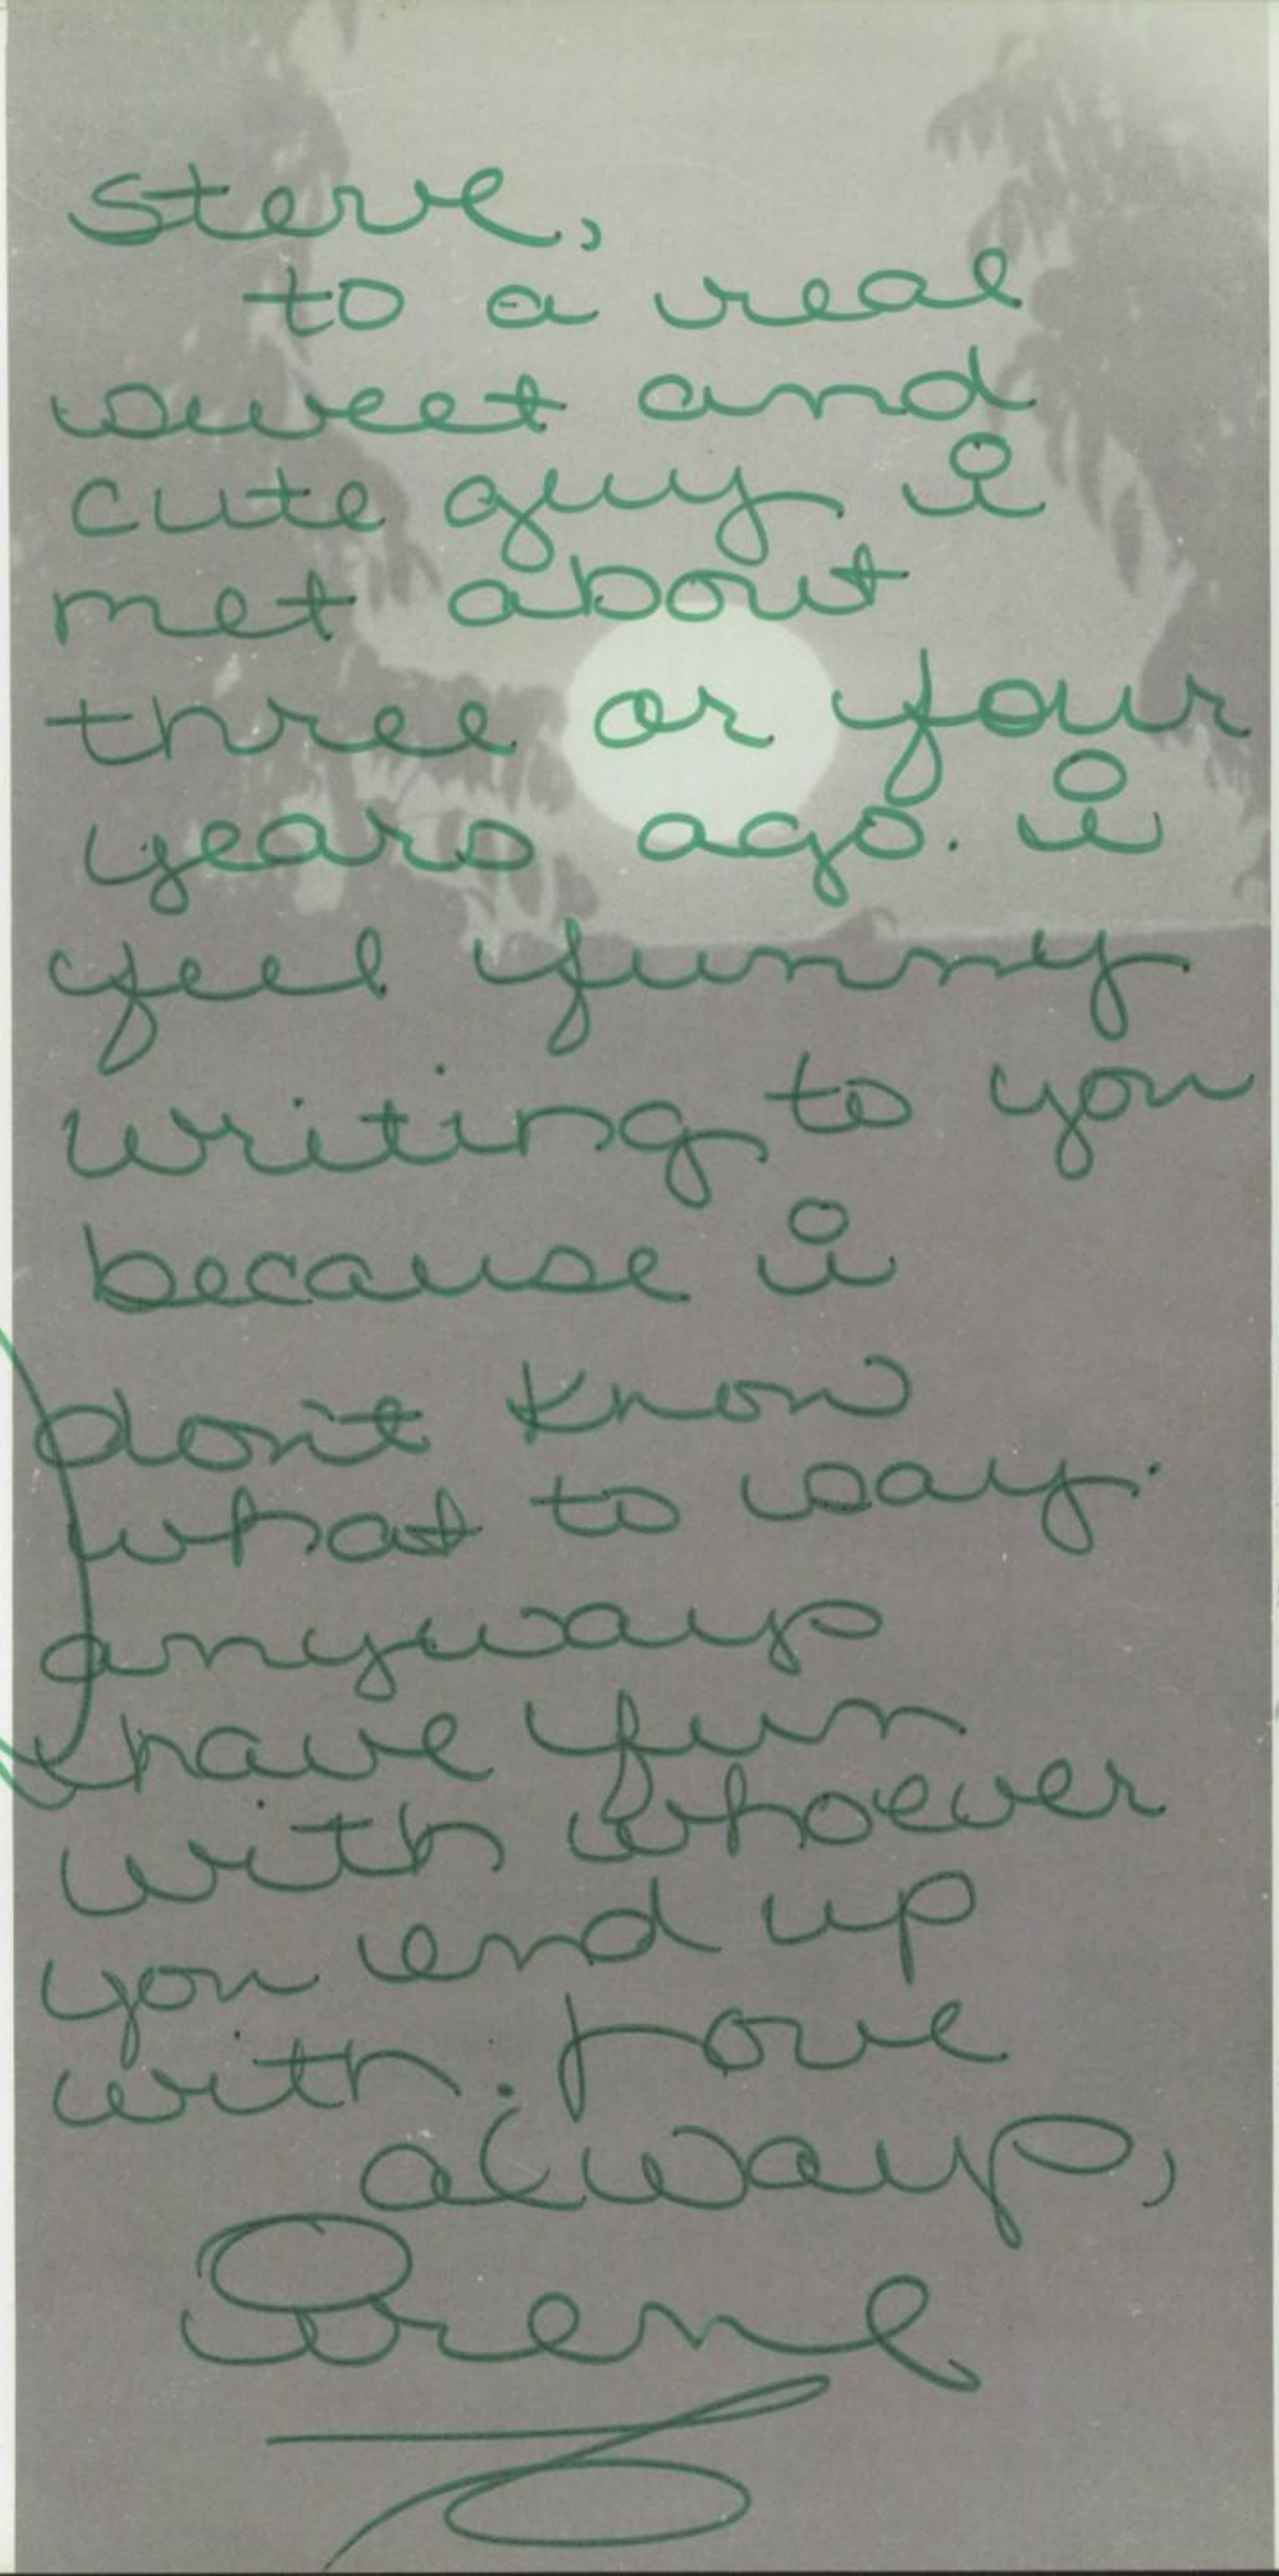
Serene ponds,
Slow moving rivers
Colorful apricot
drying yards,
Fresh picked
tomatoes, Open
spaces, Clean Air,
New recreation
facilities





and most of all those sun-lit faces baring their typical San Benito County Smiles, the ones bred on "Country" Sunshine.

Rocky Top '78



Steve,
to a real sweet and cute guy I met about three or four years ago. I feel funny writing to you because I don't know what to say. Anyways have fun with whoever you end up with. Love always,
Irene

Activities

October 19, 1974	-	Freshmen Reception Funshine Saturday.
November 1, 1974	-	Football Homecoming - Baler Barnyard. Homecoming Queen Carol Rianda. Homecoming floats - seniors first, freshmen second, juniors third, and sophomores fourth.
December 22, 1974	-	Winter Ball - Christmas at Home.
February 21, 1975	-	Basketball Homecoming Queen Teri Rianda.
March 7, 1975	-	Barn Dance Queen Lee Ann Gomes.

Win or lose, rain or shine, our cheerleaders were there to encourage our mighty Balers to try their best. These spirit-generators played little sister to the players by giving them snacks and little **goodies**, anonomously.

If you happened to pass a cheerleader in the hall, you may not be too impressed by their present state of emotion, but, when Fridays roll around, that effervescent energy just can't be held back any longer! That vibrant, bouyant energy becomes so extreme that the only way to work it off is by jumping, screaming, yelling, and kicking. They seem inexhaustible!

They don't look that bad. Or do they?

Homecoming chalked up two firsts for Hollister in 1974. The first was cable TV coverage of all the week's activities, the second was the annual rally held at Dunne Park. Kicking off a week of spirit, sparkle and vitality was Animal Dress-up Day. Tuesday brought Old Fashioned Day with a variety of costumes ranging from early Pioneer to late 50's. With Wednesday came Clash Day including a wide assortment of colors and impressions.

Thursday brought Halloween and Class Color Day, with Frosh in **green,** Sophs in yellow, Juniors in blue, and Seniors in black. Tradition ruled Friday with Red and White Spirit Day and the parade through town after school. With "Bite the Dust, Spartans" as their theme, Seniors placed first in float competition and the week was closed with Carol Rianda reigning as Homecoming Queen.

Student Council did a job again this year in bringing us another successful Freshmen Reception. With "Funshine Saturday" as the theme, comic strips graced the walls and the

Dirty

Blondes provided the sounds for this festive occasion. As the bells tolled the hour of eleven, this magic moment brought the crowning of King Danny Carrillo and Queen Sherry Mares, and they reigned over the final hour of this unforgettable evening. Getting dressed up for a formal occasion can be a hassle but when it comes to the Winter Ball; people don't mind. Spending their "Christmas at Home" this year, the attendants of the grand affair danced to the tunes of Windy Owl. The climax to the memorable night occurred when Santa Claus appeared to present a Christmas gift to King and Queen, Bill Samuelson and Dolores Sanchez.

March! That magical month in which the first week is devoted entirely to BARN DANCE; the biggest and bestest dance of the year. Imagine walking down Baler Alley to eat your lunch and right between your peanut butter on rye and Hostess **Ding-Dong,** you see a bathtub roll by! And with a name like "Godfather", you begin to wonder whyit took first place in the tub races! During the month of February you learn to fight off the Queen contestants during brunch who practically mug you to buy their cookies, burritos and french bread because the one who earns the most money for F.F.A. will be crowned Queen at the dance. By the way, Lee Ann Gomes made the most bucks and was crowned at midnight. During this terrific tromp through the gym barrel races and cowboy-chasers oakie-stomped to the Pozo Riverbottom Band who played the sounds of Credence and Doobie Brothers.

shut-up ! I can't concentrate! What

are you doing here, you don't belong here, would you please remove yourself from these premisses!"
If you happened to make the mistake of walking into Yearbook class 7th period, you would probably hear something similar to this being screamed.
Besides the fact that people were getting on other People's nerves, night meetings were held because nothing was getting done, people checking out and not meeting deadling until the very last possible minute; besides all this, it finally got done! Whew! What a relief! I don't see how Carol, the editor, could put up with us!

A student initiated form of government was administered this year by the Student Council. Under the determined leadership of President Doug Doan, the members have taken interest in sponsoring the Freshman Reception, organizing the assemblies, and planning the new

gazebo

area.

A change enacted by the council provided guest passes ror the football homecoming dance. In the future, guests up to the age of 23 years will be admitted to this dance instead of the previously set 19 years limit. The group 's main efforts were concentrated in contouring the soil, planting the lawn and generally, preparing the park project for use as soon as possible.

Under Mr. Van Gerpen's Leadership, Sierra Club has climbed the heights! Besides Kevin Clark being hit by a car, Mr. Van Gerpen's car getting bumped about 3 or 4 times, and the near snow-in at Norden Lodge, the club made it through the year. Members of this organization listened to a slide-lecture on

conservation , snowshoed at the Norden Lodge area,

and backpacked in Yosemite National Park. It has been a fun filled year for these active students.

One of the biggest and most talented groups here at Hollister High is the Band. These music makers have intertained us at football games, rallies, parades and the Horse Show.
This year the Band was involved in entering a float in the Homecoming parade, sponsoring an after game dance, and having a dance in the middle of the San Francisco Bay. A boat was hired from the Red and White fleet in San Francisco, and a band was hired for the occasion.
Some of the major event the band has participated in are the East-West Shrine game at Stanford, St. Patrick's Day Parade in San Francisco, the California Rodeo Big Week Parade in Salinas, the San Juan Rodeo Parade and the Vaquero Day's Parade.

When in Rome, do as the Romans do, right? Right! So when you're down Hollister way, do as the Hollisterites do! More like than not, this would include ranching or farming. This is where F.F.A. comes in. These Future Farmers are one of the most active organizations in our school.

During the past year, FFA has been very active in sponsoring activities. The annual Barn Dance and the weed that preceeded it were the best ever!

The Varsity

team had an overall record of three wins and seven losses. This year's varsity, although getting off to a slow start in the beginning of the season, tied for 4th place in the Mission Trails Athletic League competition. The varsity undoubtly had their best game against the King City Mustangs whose only other loss was to the Gonzales Spartans who took 1st place in the league. The team will have 18 seniors leaving them and should have 12 returning lettermen for next year's varsity.

The Junior Varsity

football team had a league record of three wins, two losses, and one tie for a mediocre season. The Hayseeds overall record was a fair six wins, two losses, and one tie. The highlight of the year was beating the Gonzales Spartans by a mere 18 to 6 score. The Junior Varsity has mostly sophomores which means that their will still be young talent on next year's team.. The team undoubtely showed good hard work throughout the year. Coach Bill Toledo is looking forward to an even better team in the future.

The Freshmen

team had a rough year according to their record, (two - six - one), but they never gave up and, consequently, were never really out of any game until the final gun. This was a team whose record was not a good indication of their ability or spirit. The outcome for this year's freshmen was a total of fifty players, who were unfortunately lacking in average weight and size. The Varsity

1974-75 Baler basketball season had many bright spots. The season record of twelve wins and twelve losses was the best in several years. The Balers did very well in their three pre-season tournaments; bringing home two team trophies, a first place at Los Banos and fifth place at Pacific Grove. Dario Casarino was placed on three all tournament teams and Terry Schmidt was voted most valuable player at Los Banos.

The Balers began league play by beating King City, then lost three games in a row to P.G., Marello, and Carmel. The team came back and defeated eventual MTAL champion Gonzales twice, Palma once and King City again for a 5-7 league record.

Poise, Pride, and Teamwork were strong points of this team. Next season could be even better with three starters and several players who saw a lot of action returning.

This years all MTAL players were Terry Schmidt and Dario Casarino. Al Hurtado was honorable mention.

because of Coach Shelitto's drive of his players to come back, the J.V.'s managed to win five games and lose seven in league games. With an overall record of six to fifteen the J.V.'s had their best game against the Pacific Grove Breakers, where they won 55 to 52. After losing to them a few weeks prior their victory. The Hayseeds carried a squad of 15 players having 12 of them being sophomores and 3 juniors, returning lettermen. The teams hard work and determination in their practices enable the team to gradually get better as the season went by. Because of this year's Freshmen-MTAL championship and the large number of sophomores the J.V.'s should look talented next year.

The Freshmen

were Co-champs of the Mission Trails Athletic League competition. This year's squad showed excellent hustle and good spirit throughout the year. The percentage from the floor and the free-throw was very good compared to any other team around. Eddie Cecena was high point man for the squad. Coach John Becera hopes for another successful season next year.

The Varsity

team had a disasterous season. This year's team was not very talented due to some returning lettermen not going out for the team. The Cross Country came in second to last in the league.

The Varsity

team had an overall record of ten wins, eight losses and one tie. This year a total of ten players placed in the MTAL finals out of 13 players. First team all MTAL players were Antone Piccetti, and Eddie Casarez. The second place MTAL players wer Sam Rameriz, Arnold Ballesteros, Ralph Yanez, Frank Orbueno, Alfred Martinez, Gib Casarez, Greg Gonzales, and Gilbert Maldonado. The Varsity wrestlers should still look strong for years to come. The Golf

'team has shown more strength than any other team for the past five years.
Team captain, Mitch Thomas, returning all-MTAL, is backed up closely by Tom Rautmann, Dan Johnston, Ed Mauro, Al Mitchell, Bob Starbody, Bill Samuelson, Mitch Gabriel, Don Harrison, and Terry Schmidt. Newcomers that show promise are Jon DeChambeau, Pat Fancher, Roy Simms, Jeff Rautmann, Randy Hammack, and Steve Kittrell.
The season should be challenging for the team since many of our opponents are ranked high in the CCS. The league should find Carmel and Pacific Grove battling as usual for the league championship with Hollister,
Hollister in the spoiler role and should rate high in the league.

The Varsity

had a great season. Coach Chen compiled a 7-4-3 overall and 3-1-0 league record. The Baler Soccer Team who won the MTAL Championship could never have done it without the efforts of each and every player. Peter Olsen our Foreign Exchange Student from Greenland was named Most Valuable Player and scored the most goals, fourteen. Frank Orozco another able bodied team member scored twelve goals.

The Junior Varsity

team had an overall record of 3 wins, 6 losses, and 2 ties. The dedication and organization of the team led them to a mediocre 74-75 season. The Junior Varsity players in league play compiled a 1 win, 2 loss, and 6 ties record. It was not unusual to see the girls out their playing on the field. The J.V.'s are looking forward to a better season next year.

The Varsity

team since the beginning of the season looked forward towards a great season. This year's Varsity has a strong 440 relay team and a good mile relay. The squad consists of some 25 tracksters and out of those people only 5 are leaving this year. They are: Mike Dunn, Leonso Espinosa, Eddie Harrison, Rob Dyarmin, and Roy Spencer. Coach Toledo and Coach Coombes and other assistant coaches are working hard with their players in hope for a good season and better ones to come.

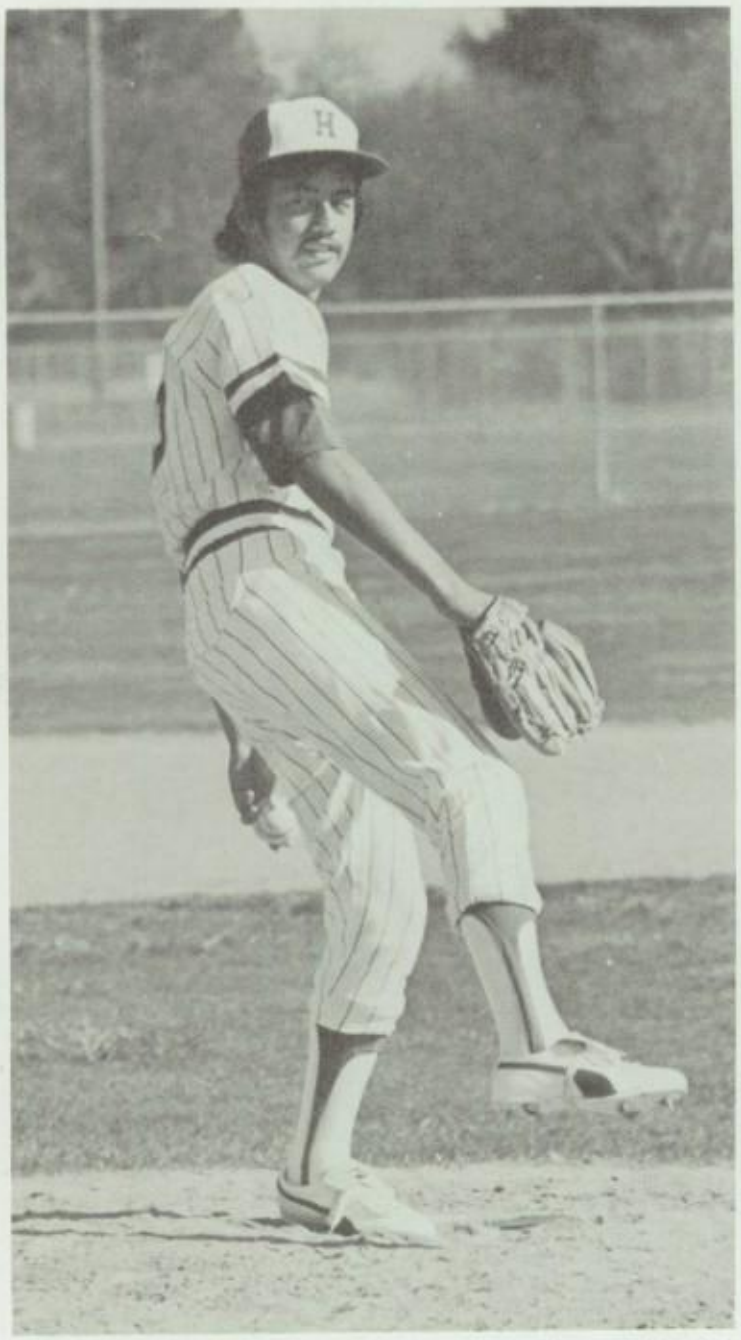
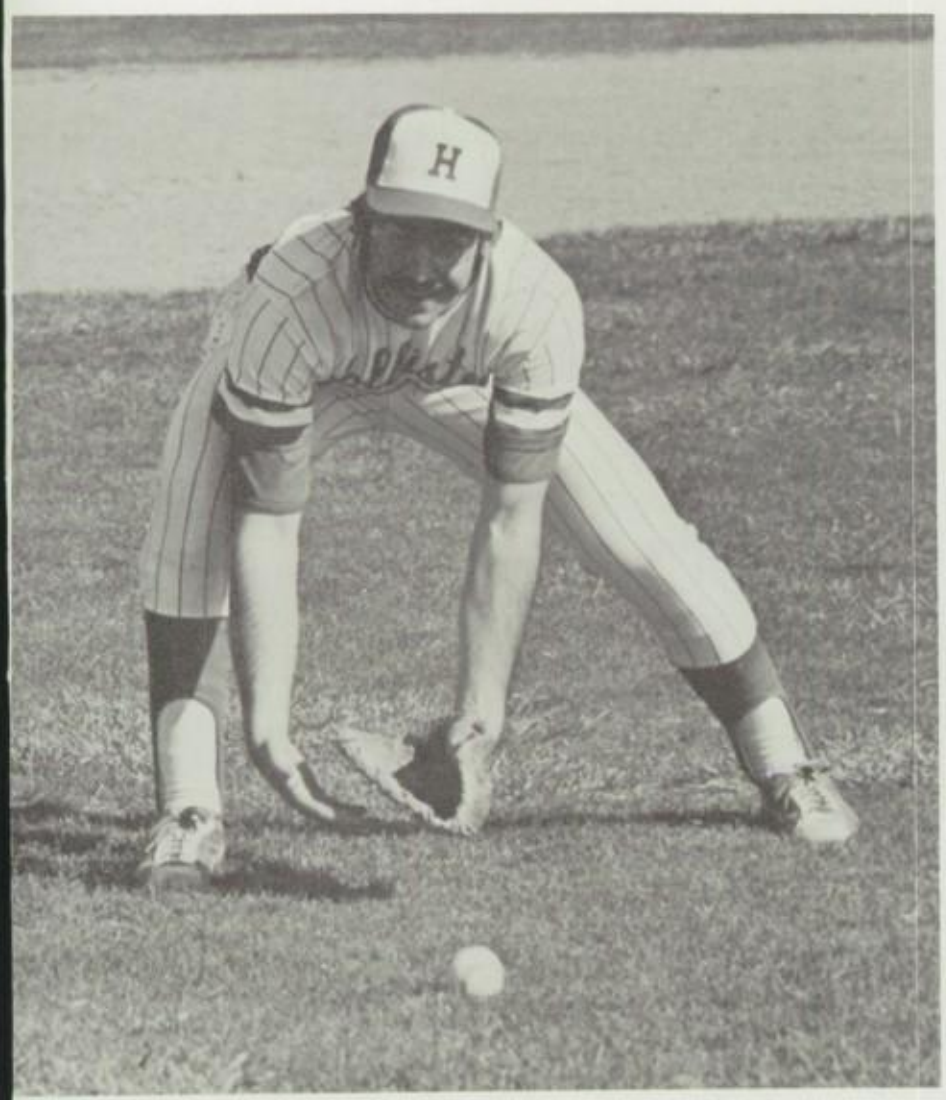
The Varsity

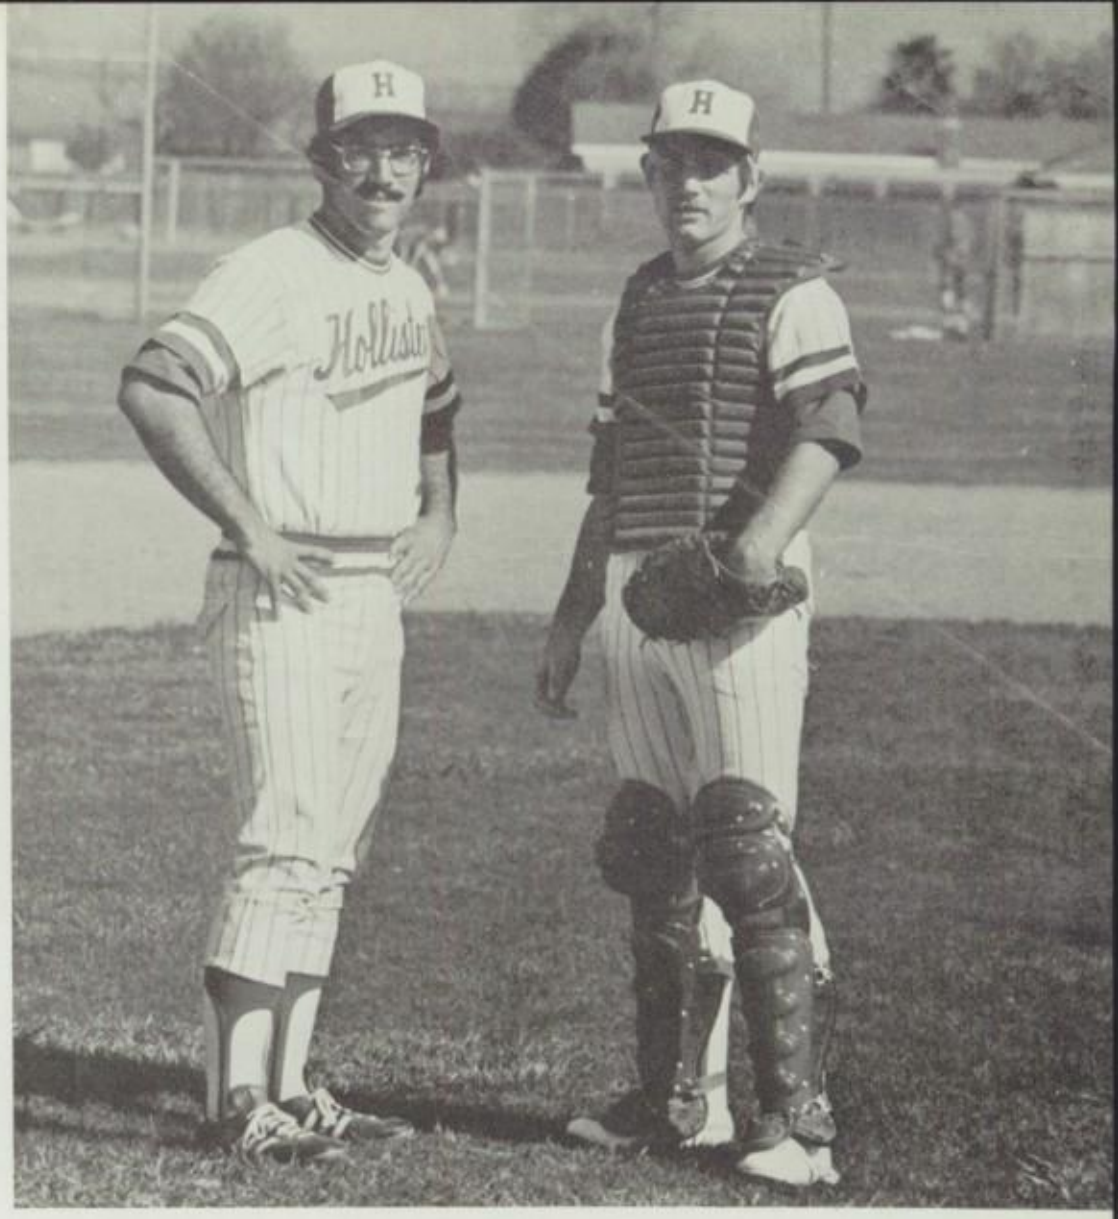
team got off to a good strong hitting start. This years Varsity has been hard working and very determined not to mention spirited. The team has plenty of talented players off last year's 2nd place Junior Varsity Team.

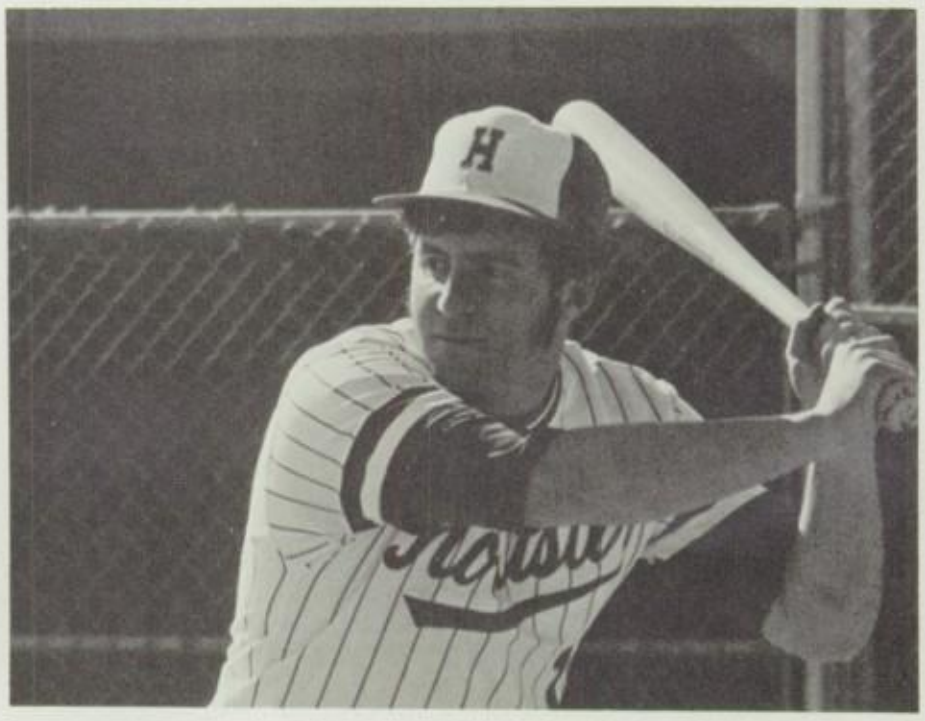
Right: Mike Martinez, Mike Slibsager, Ralph Rianda, Frank Guerra, and Bruce Anderson. Middle row: Rodney Nakamoto, Dick Darnell; Bottom row: Darell Clayton and Richard Barrientos.

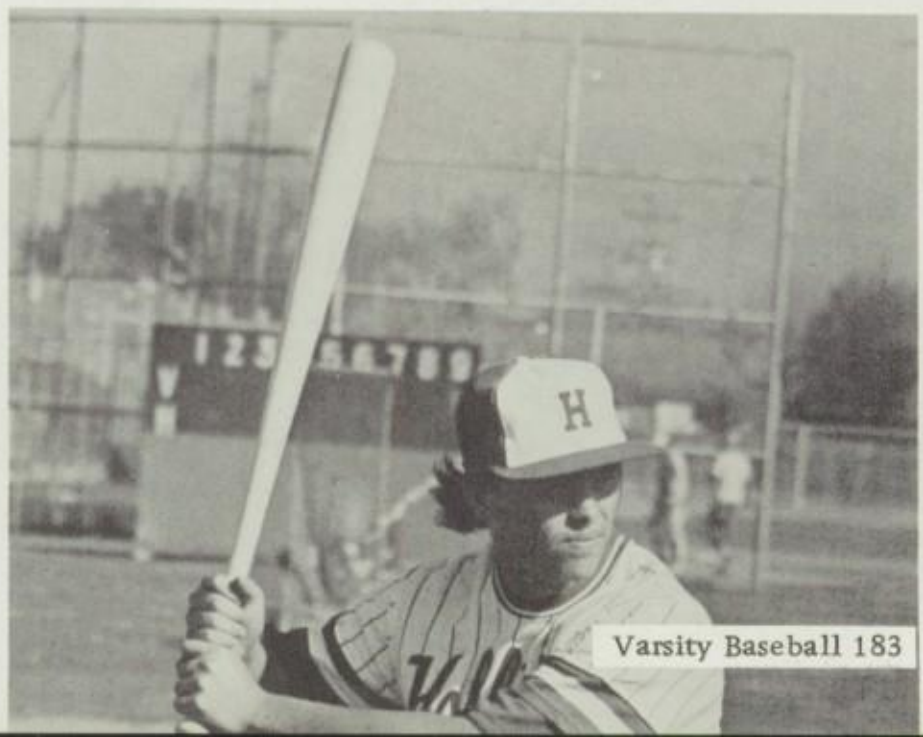
BELOW: First row: Manager, Kurt Kemmer, Bruce Anderson, Rodney Nakamoto, Darell Clayton, Albert Flores, Gilbert Cosio, Mike Martinez, Richard Barrientos, Arnulfo Gonzales; Second row: Ralph Rianda, Frank Guerra, Dick Darnell, Rick Rodriguez, Mike Slibsager, Dario Casarino, Darrell Swope, Pete Teshima, Steve Hammond, Steve Verissimo, and coach Mattson.



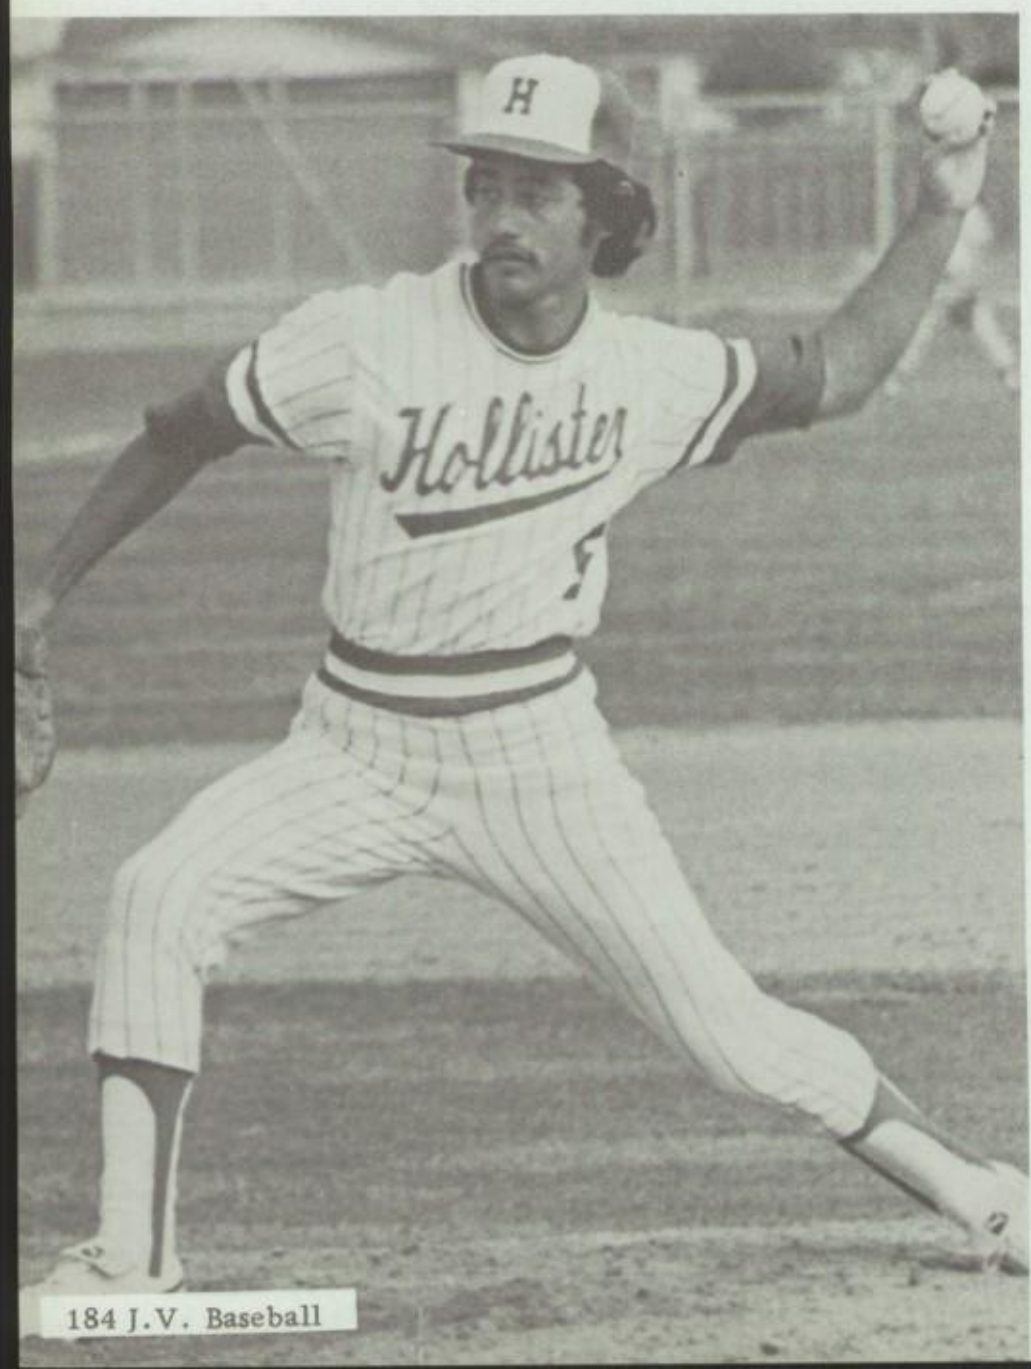








Above: Albert Flores crosses homeplate as the Balers score another point. Right: Darrell Clayton takes off towards first base. Opposite bottom: Frank Guerra rounds second base. Below: Mike Martinez pitches his deadly curve ball.

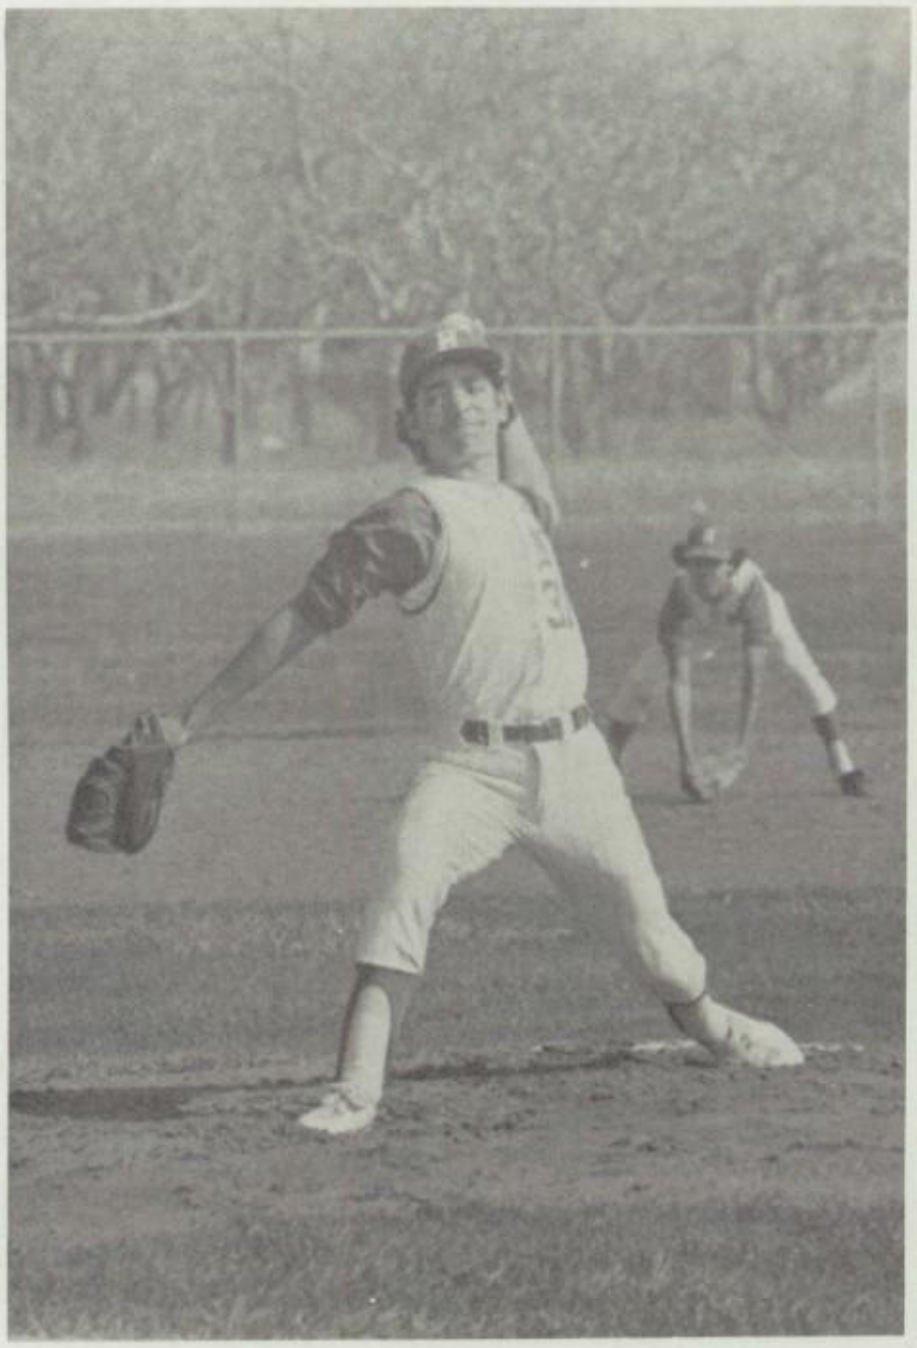


The Freshmen

players looked real good this year. With the help of Coach Gansen, these guys developed good hitting skills, and hustled with great enthusiasm. Sign-ups for the team brought the biggest turnout in five years.

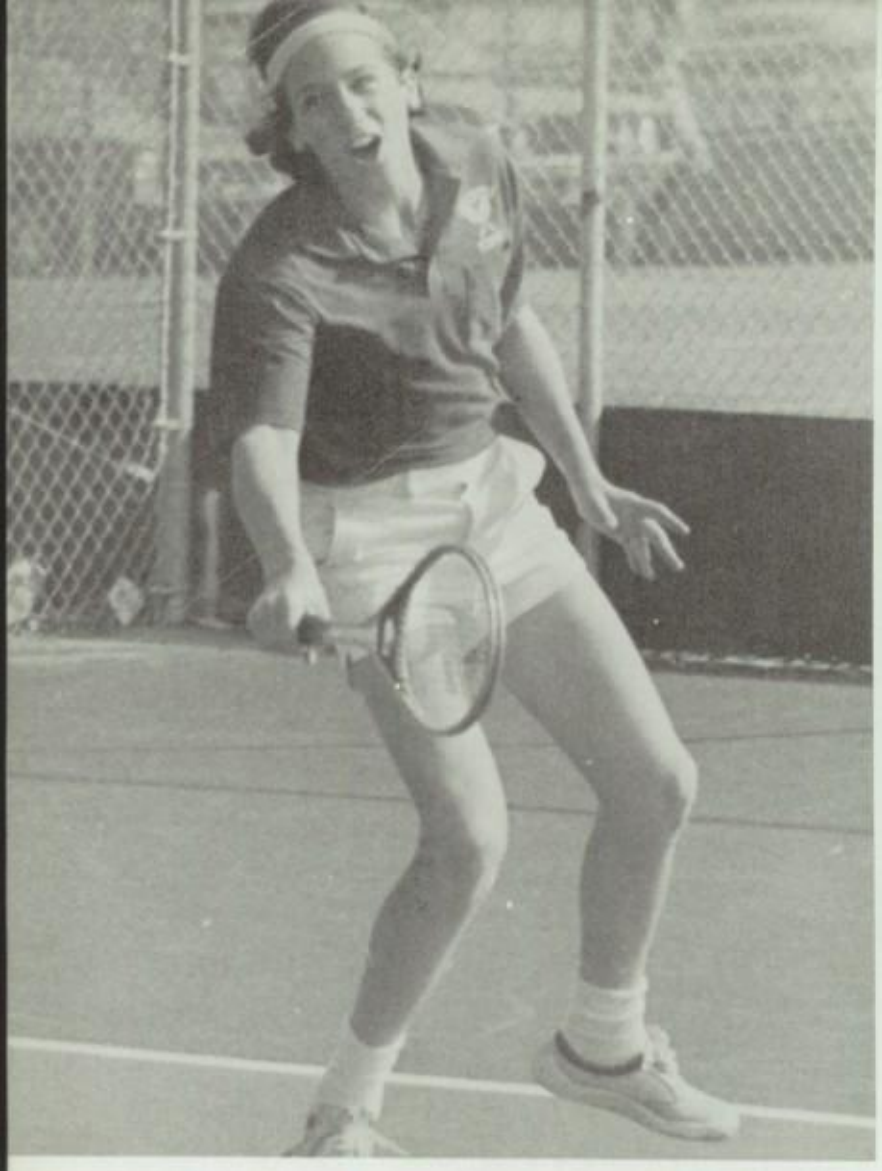
The Junior Varsity

team got off to a good start in the 1975 baseball season. The Junior Varsity has been talked about being fun to watch. The players seem to be enthusiastic about their game. The team should look good having plenty of talented sophomores of the first place Freshmen team last year. They also have 3 players from the second place J.V. team of last year. The J.V.'s have the potential and drive, to be a championship team.



The team players for the J.V.'s are: Don Perrein, Manuel Perrein, Manuel Rodriguez, Albert Torres, Steve Verrissimo, Mike Verrissimo, David Stull, Greg Fish, Joey Miguel, Saul Gonzalez, Mike Canez, Fred Ruiz, Bill Powell, Matthew Oates, Mark Holte, Mory Jaime, Arnufo Gonzales.

Below: First Row: Richard Marquez, Ernie Quiones, Henry Patino, Mark Teshima, Howard Kamimoto, Danny Carrillo, Ruben Padilla, Joey Andrade, Eugene Kowaki, Tom Mares, Eddie Lemos, Jerry Ruvalcaba, Casey Hagins, manager Mark LaCasa. Second row: Bruce Hushbeck, Darrell Swope, Alan Goularte, Ismael Guttierrez, Ross Rianda, Jerry Vanek, Craig Vallejo, Alfonso Martinez, Robert Cruz, Kelly Gonzales, Shannon Pride, and coach Charles Gansen.



BELOW: J.V. Quarterback Richard Goularte steps in the hole and throws the long bomb. Left: Varsity tennis player Craid Paxton works on his backhand shot. Above: Terry Shmidt and Mory Jaime take a few shots during pre-game warm-ups.

Administration

The Administration has completed various projects such as resurfacing the area between the main building and the O'Donnell Gym, the girls locker room was remodeled and the main building reconditioned. Other projects were the building of the diving pool, the Aq building, and the remodeling in the auitorium including new seats. Not only was remodeling done but new requirements for graduation were developed and passed by by the board.

Board Members

The board of trustees is the governing body of the high school and are elected to their position by the voting populous of the county. The board is made up of five voting members and a non-voting stduent representatvie. The membership of the board is diversified in their occupational background as well as their ideologies. Each member brings in an indivual philosophy for a common goal, a better secondary education for everyone in the county.

A board member often suffers through terribly boring meetings. Despire the frustration of not being able to accomplish enough, each member realizes they are fulfilling an important task. Representing the community on the board is often a thankless job. So we'll take this chance to simply say, Thank you.

READING: Based on the expanded educational philosophy of today, the Reading Department has developed course content which endeavors to meet the learning needs of all ability and achievement levels of students within the Department. Knowing how to read is not enough. What is done with these skills is the challenge. A challenge which must be provided throughout the content areas.

BUSINESS: The role of the Business Education Department at S.B.J.U.H.S. is to prepare students for job entry and prepare them academically for entrance to institutions of higher learning. The curriculum offered in the Business department at S.B.J.U.H.S., we feel, ranks extremely high in meeting the needs of the students and preparing them for the future.

English

After a number of years of freedom of choice - to elect or not elect fundamental English courses - new graduation requirements in English has moved the English Division forward this year to ensure that all students will be exposed to literature, composition, speech and other language skills. Classes in English are primarily skills courses which give each student fundamentals necessary to communicate satisfactory in everyday life.

Fine Arts

The Fine Arts Division deals in communication. Students are encouraged to work toward a mastery of the basics of their chosen medium and communicate their thoughts and emotions using what they have learned. Doing this and attempting to understand what others have attempted or are attempting to communicate leads them to a better understanding and appreciation of the universality of man.

Stanley Breslauer

Science

Man's intellect permits him to respond to his environment in many ways. It is the goal of science and to mankind to collect information through observation, to organize this information, to look for regularities, and to communicate his findings to others. All science depends upon experiments and man's use of the information gained.

Math

The main goal of the math department is to teach math to students. This involves having different levels of math, since all students don't have the same ability. The math classes range from third grade arithmetic to computer programming and calculus.

Robert Mattson

We believe that Physical Education is becoming more important than ever, due to our increasing trend toward a sedentany way of life. We also have more leisure time to fill. Therefore, we hope to teach and encourage some activities with carry over value which can be enjoyed as adults. In general, however, we will continue to stress the importance of physical activity as a means to promote and maintain good health and body conditioning as well as an enjoyable pastime and relaxation from our daily work.

To work toward developing a curriculum which will best utilize our facilities and teaching personnel to their greatest advantage. To design a budget which will maintain and support designated programs, and to represent the physical education department at various meetings.

To have every student participate in the physical education program that includes team and individual activities, rhythms, aquatics, and physical fitness that will be beneficial in adult life or leisure time.

Jess Skubal

Industrial Arts

Industrial Education is the broad field of study designed to develope skills, attitudes, abilities, work habits, and appreciations, including information and knowledge needed by students to enter and success fully progress in employment. It is an integral part of the total program of education and includes preparation in such occupational endeavors as trade and industrial education, home economics and agricultural education.
